EVALUATION CRITERIA FOR PERSONNEL REQUESTS

Improving Existing Service Delivery

Does the request improve an existing City function or service?

Response to Growth

Does the request directly correspond to the increasing population and/or geographical size of Fargo?

Partnerships

Does the request leverage external partnerships/funding opportunities? Create or enhance an internal cooperative initiative?

Outside Revenue

Does the request leverage, or create a future opportunity, to leverage outside non-City revenue to assist with the new employee?

Public Safety

Does the request invest in a public safety initiative or enhance community safety?

Succession Planning

Does the request prepare the department and City for the attrition of existing personnel? Is it a future-oriented request to sustain service excellence?

It's tough to run a city.

Leaders must strike the fine balance between running all departments optimally with a limited budget, while keeping residents happy.

The bigger cities get, the more complex this tends to become.
